

OUR MISSION

The CSCA will serve to strengthen and unify community members interested in common goals in order to make the Central Saanich region a better, more vibrant, and healthier place to live, learn, work and play.

CSCA will support members to become engaged, informed and empowered in community affairs. We will cultivate an environment to help members actively seek out ways to share their voice.

The goal is to have more community involvement in decision-making and civic engagement activities to help better shape the Central Saanich region!

Central Saanich Community Association

KEEPING CENTRAL SAANICH AN
OUTSTANDING PLACE TO LIVE, LEARN,
WORK AND PLAY!

What we do

-  Enhance community capacity and build social connections
-  Circulate important information of happenings in the region that will affect the community
-  Provide a non-partisan platform in which to voice concerns and share ideas
-  Have monthly meetings that are open to members
-  Engage with Central Saanich Council to ensure citizen interests are heard

Why Become a CSCA Member

Benefits to becoming a member include:

-  The opportunity to connect with other residents who have similar interests
-  Having an open, comfortable, non-partisan forum for sharing ideas and concerns
-  Receiving communications about important community topics
-  First to know about CSCA hosted knowledge sharing and educational events
-  Supporting CSCA in providing this valuable community service
-  Voting privileges in shaping the Board of Directors

Please consider becoming a member of the CSCA. The more members we have, the stronger a voice we will have in the community!!

Central Saanich Community Association (CSCA) understands that effective civic engagement is an integral part of good governance, and that the number and quality of such engagements will directly contribute to the quality of life and wellbeing of its society. At CSCA we are confident that our citizens possess the knowledge and ideas to provide positive solutions to community concerns. We want to ensure these ideas are voiced and that interactions between citizens and stakeholders are considered by the municipality. We will provide that vital link, a link which is currently missing in our region.

We hope you will join us.

Remember – this is your community.

Shape it, or someone else will!!
